## HOME *Sweet* HOME

atHome with Clark-Lindsey™ was founded in 2019 as a collaboration between Clark-Lindsey Village in Urbana, IL and Cantata Adult Life Services in Brookfield, IL, two non-profit organizations that strive to create a world in which older adults may thrive.

Most people want to remain in their homes as they age, atHome with Clark-Lindsey will continue to grow to better serve our clients and their needs. By offering affordable, non-intrusive care in the home that allows our clients to age in place, atHome with Clark-Lindsey is the driving force of our overall organizational mission, which has always been to help individuals and families as they age.
